## INSTRUCTIONS FOR USE

### STORM LED HEADLAMP

**Battery Life:** Your battery life will vary depending on:
 

- Brand and freshness of batteries
- Length of time the headlamp has been on
- Temperature
- Settings used

**IMPORTANT:** Follow all instructions carefully. Any modifications of this product will void the warranty. Misuse of the headlamp may cause user harm.

## BATTERIES

- Use AA alkaline, lithium or rechargeable batteries
- Do not mix old and new batteries or different battery types
- Dispose of used batteries properly
- Remove batteries during storage and transport

## USE / MODOS

**ATTACHING AND ADJUSTING THE ELASTIC HEAD STRAP**  
The headlamp can also be attached to webbing on packs, harnesses and waistbells by the same procedure. The elastic will be in direct contact with your forehead if installed properly. To loosen or tighten the head strap, slide the plastic adjuster forward or backward.

## STORAGE AND TRANSPORTATION

**CARE AND MAINTENANCE**  
If the headlamp does not work:

- Check that the batteries are oriented correctly and touching the contacts
- Replace the batteries
- Check the contacts and connections for corrosion and clean if necessary
- Work the switch several times
- No! Lock? Contact your Black Diamond Dealer or BlackDiamondEquipment.com.

## SPARE PARTS

**WARNINGS**  
A responsible adult must supervise use by children under the age of 12

- To reduce the risk of strangulation, do not place the headlamp straps around your neck
- Inspect your headlamp for proper operation prior to using and, for critical situations, carry a second light and sufficient spare batteries
- Do not stare directly into the beam or shine it directly into others' eyes. Intense light can damage your eyes or the eyes of those around you. Black Diamond Equipment is not responsible for the consequences. Whether direct, indirect or accidental, or for any other type of damage arising or resulting from the use of its products. You are responsible for your actions and activities and for any consequences that may result from them.

## LIMITED WARRANTY

We warrant for one year from purchase date and only to the original retail buyer. This warranty does not extend to use of the product in material and workmanship. For lighting products, our warranty is for three years. If buyer discovers a covered defect, Buyer should return the Product to the place of purchase. In the event that this is not possible, return the Product to us at the address provided. The Product will be repaired or replaced at our discretion. That is the extent of our liability under this Warranty and, upon expiration of the applicable warranty period, all such liability shall terminate. We reserve the right to require proof of purchase for all warranty claims.

**Warranty Exclusions:**  
We do not warranty Products against normal wear and tear (such as ski edge cuts and abrasions, outdoor wear, etc.), unauthorized modifications or alterations, improper use, improper maintenance, misuse, negligence, damage, or if the Product is used for a purpose for which it was not designed. This Warranty gives you specific rights, and you may also have other rights which vary from state to state. Except for expressly stated in this Warranty, we shall not be liable for direct, indirect, incidental or consequential damages arising out of, or resulting from, the use of Product. This Warranty is in lieu of all other warranties, express or implied, including, but not limited to, implied warranties of merchantability or fitness for a particular purpose (some states do not allow the exclusion or limitation of incidental or consequential damages or any limitations on the duration of an implied warranty, but the above exclusions may not apply to you).

This Black Diamond product meets the requirements of the EMC (electromagnetic compatibility) Directive 2004/108/EC and the RoHS Directive 2011/65/UE.
